She is known as the "Organizer of Organizers" for driving huge citizen-led movements for change.

Take Back the White House 2020 aims to teach participants virtual advocacy methods of persuasion that can be used for all campaigns. There will also be special appearances by California representatives Gil Cisneros (CA-39), Katie Porter (CA-45), Harley Rouda (CA-48), and Mike Levin (CA-49), as well as prominent Arizona candidates Mark Kelly (for US Senate) and Dr. Hiral Tipirneni (AZ-6).

WAVE's vision is a thriving and inclusive democracy. Its mission is to engage, educate, and empower our community to advance progressive values and ethics. This year, WAVE is working towards taking back the White House and flipping the Senate; retaining the four Orange County congressional seats we won in 2018; and, supporting down ballot candidates that align with our progressive values and ethics.
