

2024 WAVE GENERAL ELECTION BALLOT GUIDE

A FEW THINGS ABOUT OUR BALLOT GUIDE

- 1** It has lots of color, so this is best viewed on a computer or tablet.
Each colored circle or square represents an organization that we have referred to for endorsements in addition to **WAVE's**. We chose a diverse mix of issue-oriented groups such as **Moms Demand Action, Planned Parenthood, and Equality California**.
With the amount of research this required, we hope that we were able to capture the data as thoroughly and accurately as possible. If you notice any errors, please let us know ASAP.
- 2** You will notice that **WAVE** has no recommendations with regard to propositions. We rely on the input from other groups to evaluate how we personally vote for these propositions.
- 3** You will also notice that not all districts, cities, or areas are in this guide. We selected only those that the **WAVE Endorsement Committee** covered during the endorsement process.
- 4** **Finally, this Ballot Guide is meant to be shared!**
Please forward the link to your friends and family! And better yet, host a ballot party and make sure everyone you know fills in their ballot correctly and sends it off before November 5th!
